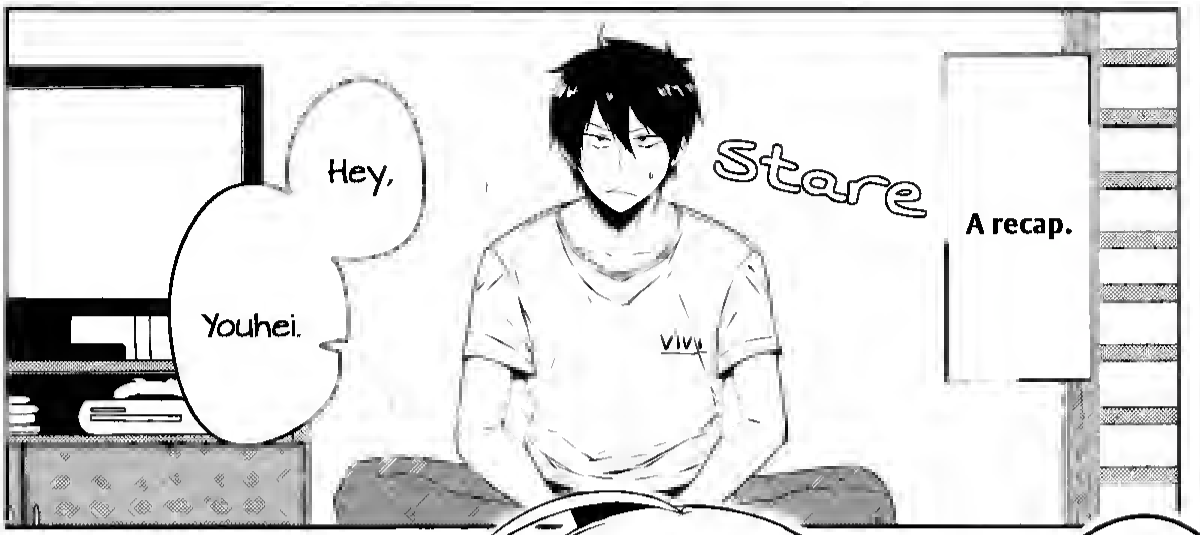
……



Hey,
Youhei.
Stare
A recap.

Bam
Mary-san appeared.
In my wall.
I'm hungry.

Heeeey!
.....
I said I'm hungry!

I'm not a small animal.
It's not enough.

So good.
You just had some fish sausage earlier...

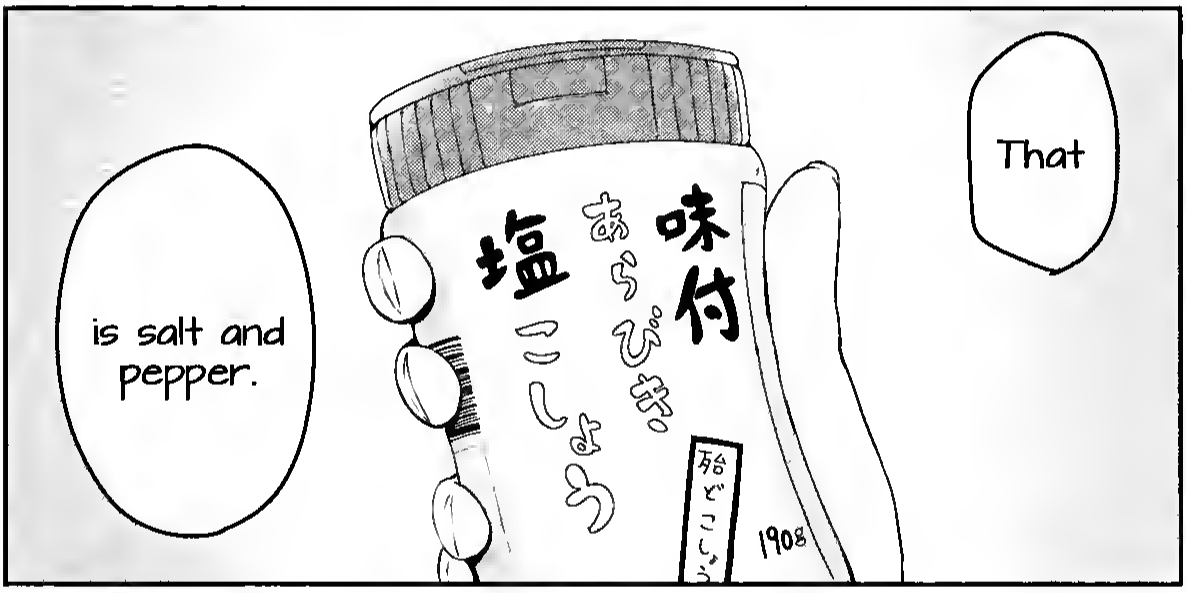
Hurry up and pass on already...
...Hm?

Good idea!
I'm barely making a living as it is!
Go lick some salt!
I'd have some salt.
You would?!

Blip
Wait...
Salt, huh?

Wait, wait, hang on
Salt is used for purification, right?
I thought maybe if I used this, you'd pass on.
Vivi

Hey, hey
What are you doing?
Fwsh

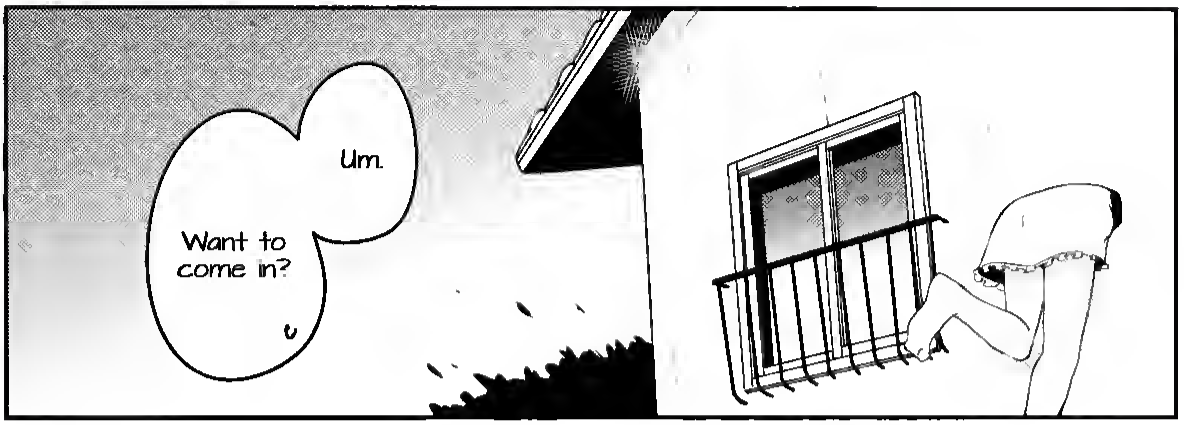


That
is salt and pepper.
味付
塩こしょう
190g

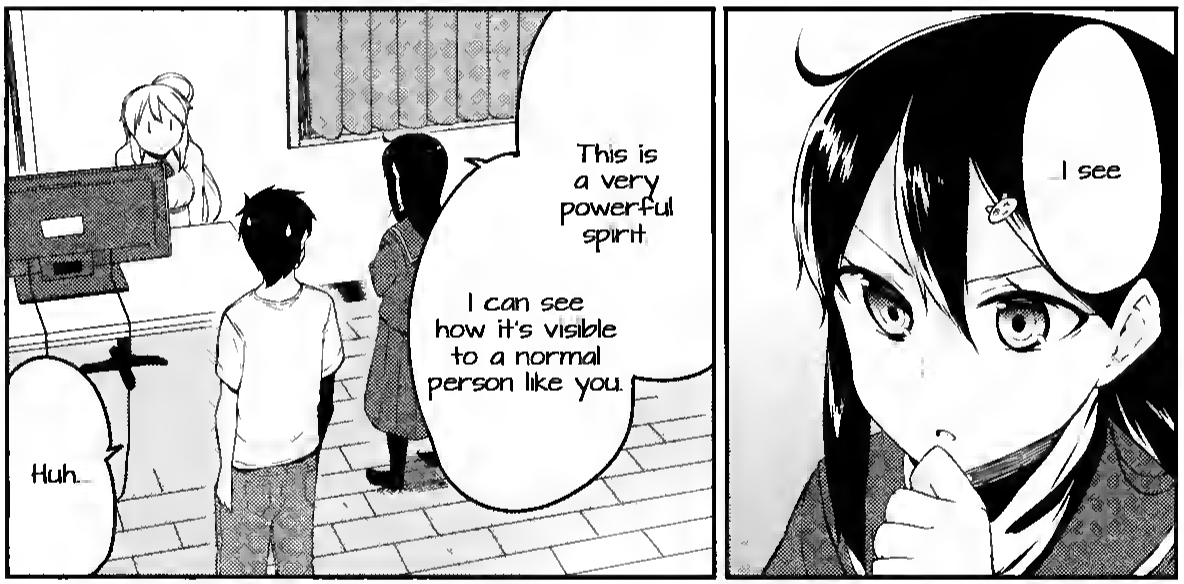
Gah
Gah!
Sto...!
Hey!
Shake
Shake
I don't have anything else!
Go on!
Pass on!
Vivi

It's working really well!
The pepper, at least!
Achoooh!
Ding Dong
Hm?
Who could it be, this early in the morning?
Fwooon
Achooooh!
Are you really a ghost?
Achoooh!
You asshole!
Goddammit!
What the hell did you order?!
That's not censoring it at all!
Zppp
Oh, that was fast.
Way to go, Amaz*n.

Rattle
Yes..?
Stp
Ah, dammit
I've gotta get rid of her
Stp
You might not believe this...
But there's an evil spirit in your house!
Excuse me.
My name is Teisan Kuyo.
I am an exorcist.
Oh.
...Yeah.
I know.



Um.
Want to come in?



Huh...
This is a very powerful spirit
I can see how it's visible to a normal person like you.
...I see

Shut up for a minute.
come inside, you know?
Hey, the delivery person's...
Glance

...But why...
...is the spirit in the wall...?
!
Fwsh...
Rub
This is

...I see
So that's why I can't move.
They're used to...
Seal spirits or make them pass on.
Huh....
Vwooom
This wall...
is filled with talismans.
Talismans?
Do you know anything about this wall?
No...
I just moved in.
I see...

Is it...
all right if I banish this spirit?
Eh?!
.....
...?
Kuyo-san?
Now, then... spirit
Hey, now, seriously?
You can banish her?!
Please do!
Hm?
Let's see...
Do you have any last words?

But maybe it's because of these talismans
I don't even know why I was so full of resentment
Before...
I would probably have killed you with a curse
Oh?!
But you still tried to kill me?!
Uwahahah
Just went with the flow
Ah!
That's right, Youhei
Huh?

I finished reading your novel.
VIVI

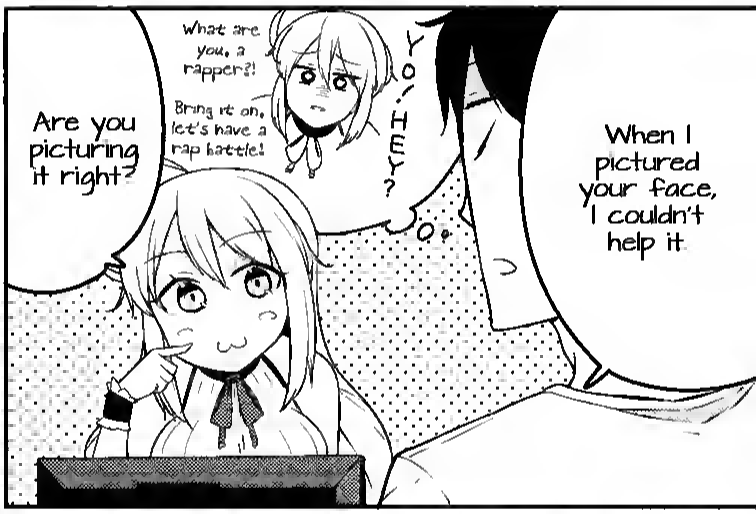
Hah.

It was really good.
I hope you become a pro.

Hah. hahah.
You're saying that... now?
Oomori-san
You must not listen to what an evil spirit says!
!
Yeah... but...
She's really stupid
And she's not really that dangerous...
So, um...
.....!

Huh?
That seemed like the point where you'd stop her!
And it turned into you asking her to do it?!
Oh, sure.
No...
Wait, yeah, go ahead and do it
Vivi

Um...
The truth is...



What are you, a rapper?!
Bring it on, let's have a rap battle!
YO, HEY?
Are you picturing it right?
When I pictured your face, I couldn't help it

Pwaaaah
It's not really working...
And...
I started banishing her a while back...

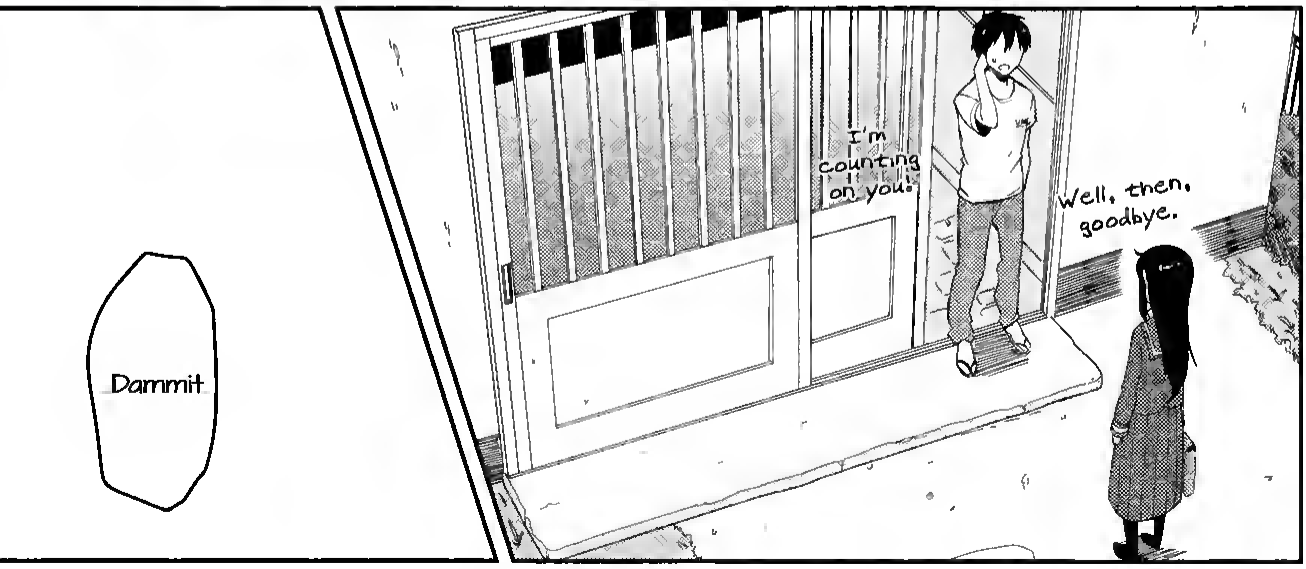
Huh?!
Eh?!
You're already banishing her?!
Yes...
Getting them to talk at the end...
to lower their guard before being banished is the usual method
Fsah
I think it's working a little bit
Rub Rub
Hm
Ah..
My head did feel a bit itchy
It's not working!
Fwip
Fwip
Fwip
S-Stop that!
Is she getting angry?
Cute.
Hmmmgh

Oh, right
Could you do something about her ass sticking out of the house?
No, it's fine..
You okay?
Pant
I-I'm sorry
Pant
That service is the problem!
Gah!
I'm giving you a bit of fanservice
Don't treat my ass like it's such a problem.
I don't think normal people would be able to see her.
Unless they're close to the spirit like you.
Don't worry about that.

The wall also bothers me.
It would probably be best to investigate it.
I see...!
But I would advise against letting people into your house.

I don't think she's very dangerous at the moment, due to the talismans.
Just try to avoid getting close.
All right.

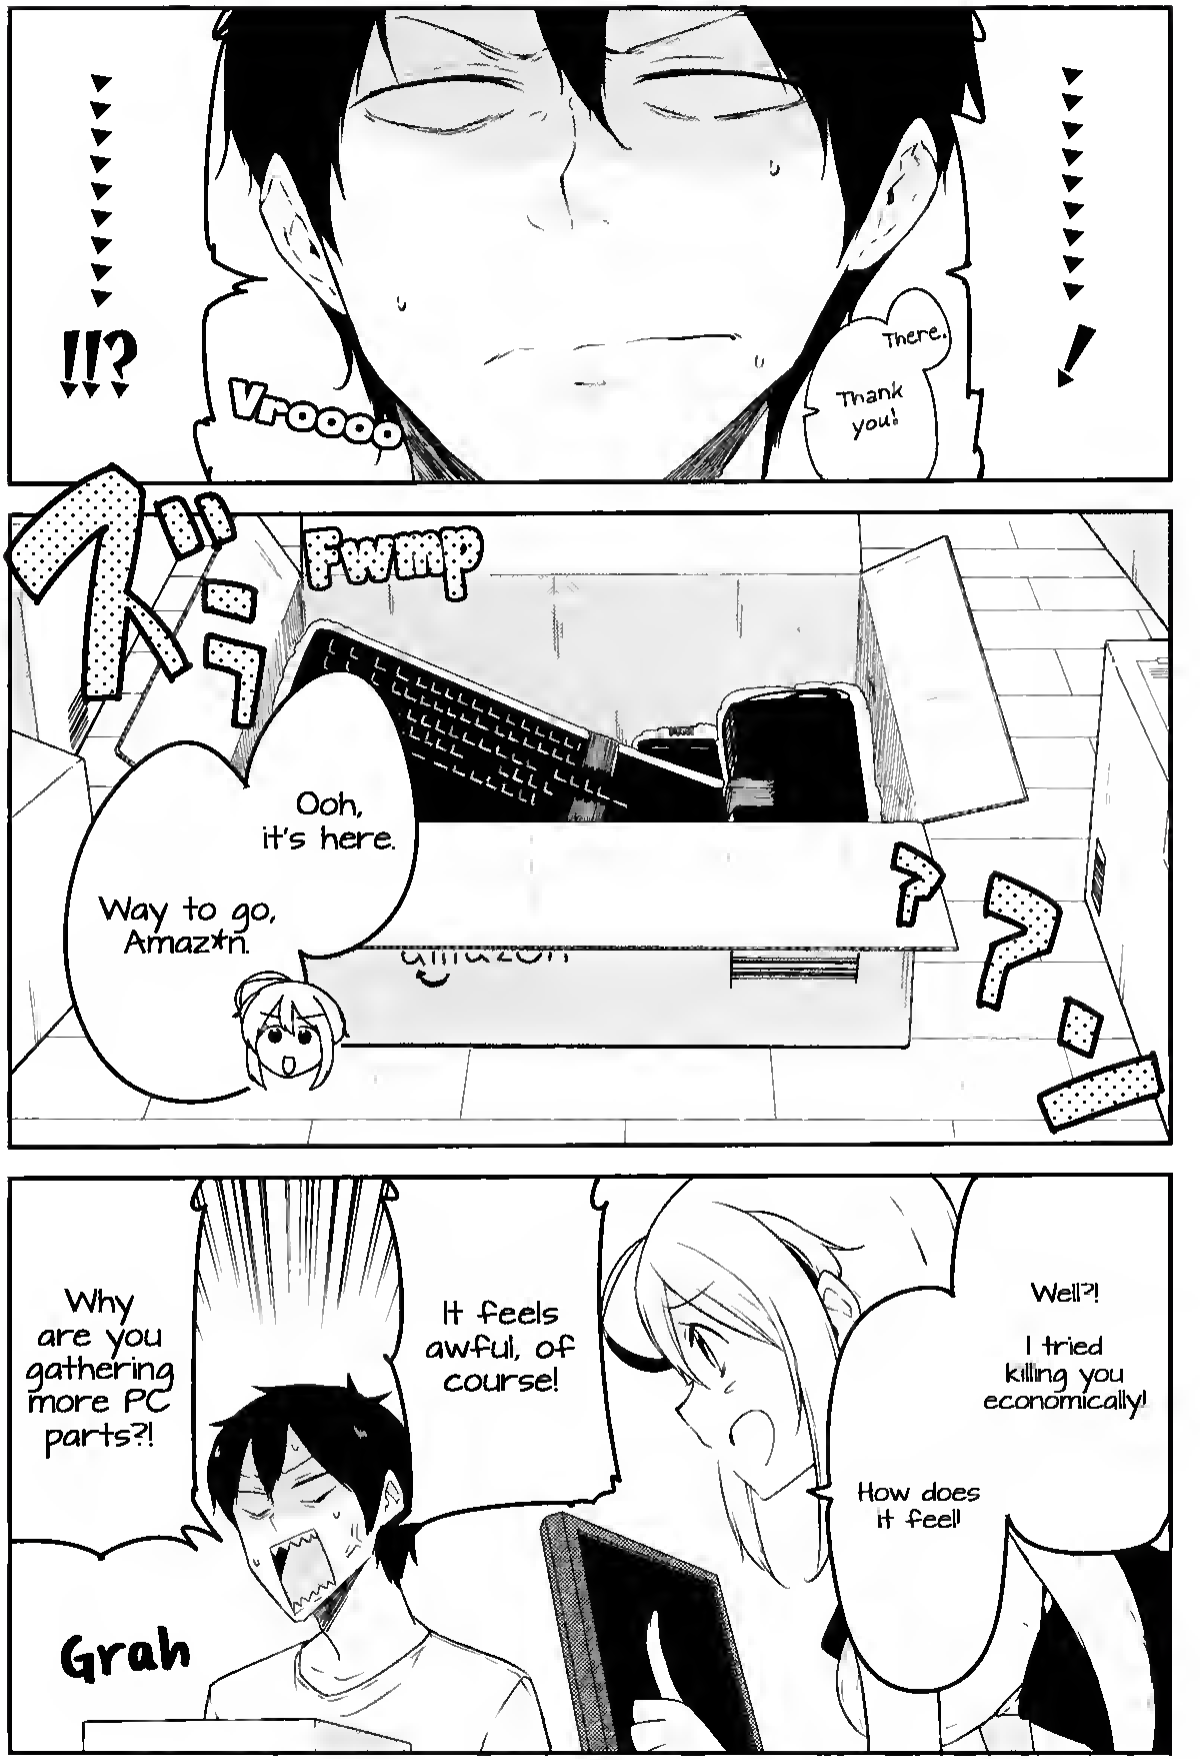
What should I do during that time?
I don't have money to move out.



Dammit.
I'm counting on you.
Well, then, goodbye.

For being so young, she was pretty amazing.
That exorcist was really strong
Eh?
Really?
That kind of thing happens.
Cheer up.
I don't want to hear that from you.
And here I thought I could finally be rid of you.
That sounds like it hurt a lot!
As much as hitting your toe on a cabinet 100 times
I was holding it in, but it hurt quite a bit.
But still...
She said not to get close, right?
Are you okay being in the same room?

There's nothing wrong with talking
It's fine
Well...
NOMO
Ding
Dong
Also...
And if I leave you alone, you'll probably do something...
Huh?
Did Kuyo-san come back?
.....



!!?
Vrooooo
There.
Thank you!
!
FWMP
Ooh, it's here.
Way to go, Amaz*n.
Why are you gathering more PC parts?!
Grah
It feels awful, of course!
Well?!
I tried killing you economically!
How does it feel!
